

A Benefit for Past Chief, Mike Hehir

Given by the Hehir Family, Friends, and fellow Firefighters

January 1, 2010

The purpose of this letter is to ask for your support with an upcoming event.

Mike Hehir, a Past Chief of the Depew Fire Department, has been diagnosed with stage two Hodgkin's disease in October of 2009. Mike is currently undergoing chemotherapy which will make continuing his job extremely difficult. The proceeds from this benefit will relieve some of the financial burdens that will come throughout the course of his treatment. This way Mike can focus on his tough road to recovery.

We are currently looking for support from the community to help make this event a success. Our main revenue for this event will be a Chinese Auction and a Silent auction that we will need donations for. Donations will be greatly appreciated in helping with this cause for a great man

This benefit will be held on March 20th, 2010 at the Hearthstone Manor, 333 Dick Road, Depew NY, 14043 from 7PM-12PM. We hope that you are able to make a donation to this cause and help his family.

We thank you for your time and consideration, if you have any questions or need any additional information please contact either Mike Hehir (Son) at (716)238-4624, Dave Adamberger at (716)868-5699, or Doug Moore at (716)725-7555.

Thank you,
Family and Friends of Mike Hehir
